

**MAIN REFERENCE LIST**

NO.	DESCRIPTION OF PROJECT	CUSTOMER	DATE OF COM.
1	R8m, 8-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:160mm×160mm	Lvliang Jianlong Industrial Co., Ltd.	Nov 2021
2	R8m, 5-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:150mm×150mm, 165mm×165mm	Guangxi Guifeng Special Steel Co. Ltd	Oct 2021
3	R11m, 5-strand square and round billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:165mm×165mm, 190mm×190mm, ø160mm, ø180mm, ø220mm, ø250mm, ø300mm, ø380mm	Yunnan Qujing Iron & Steel Group Phoenix Iron & Steel Co. Ltd	Oct 2021
4	3# R10m, 12-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section: 170mm×170mm	Zhongtian Steel (Nantong) Green Quality Steel Base	Sep 2021
5	2# R10m, 12-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section: 170mm×170mm	Zhongtian Steel (Nantong) Green Quality Steel Base	Sep 2021
6	2# R9m, 8-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:150mm×150mm, 165mm×165mm	Guixin Group Zhaoxin Hardware Products Co., Ltd	Jun 2021
7	R10m, 8-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:150mm×150mm, 165mm×165mm, 180mm×180mm	Heyuan Derun Iron & Steel Co. Ltd	Jun 2021
8	R7m, 5-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:150mm×150 mm, 165mm×165mm	Jinzhou Jinxing Special Steel Co., Ltd	May 2021
9	3# R9m, 6-strand small slab continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:165 mm×330-500mm	Jiachen Group Yingkou Iron & Steel Co. Ltd	May 2021
10	1# R9m, 8-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:150mm×150mm, 165mm×165mm	Guixin Group Zhaoxin Hardware Products Co., Ltd	May 2021
11	R12m, 6-strand rectangular billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:230mm×230mm, 230mm×350mm, 320mm×410mm	Anshan Baode Iron & Steel Co. Ltd	Nov 2020
12	Revamping project for square and round billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:150mm×150mm; ø150mm ø160mm, ø180mm, ø200mm	Nanjing Iron & Steel Group Co. Ltd	Oct 2020
13	Hot charge system without billet reheating	Hebei Jingye Group Co. Ltd	Oct 2020

14	R10m, 10-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:150mm×150mm, 165mm×165mm	Hebei Jingye Group Co. Ltd	Oct 2020
15	R9m, 7-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:165mm×165mm	Anhui Langxi Hongtai Iron & Steel Group Co. Ltd	Oct 2020
16	R9.5m, 7-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:165mm×165mm	Anhui Changjiang Iron & Steel Co. Ltd	Oct 2020
17	Revamping project for updating for R10m, 10-strand continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:160mm×160mm (cooperate with Puruite)	Jiangsu Changzhou Zhongtian Iron & Steel Group Co. Ltd.	Sep 2020
18	Revamping project for section modification for 3# R10m, 5-strand rectangular billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:165mm×225mm;φ150mm, φ160mm, φ180mm, φ200mm	Changzhou Dongfang Special Steel Co., Ltd	Jan 2020
19	Revamping project for updating for R9m, 3-strand round billet continuous casting machine Casting section:φ140mm, φ150mm, φ160mm, φ180mm, φ200mm, φ220mm, 250mm×250mm, 150mm×150mm, 160mm×160mm, 210mm×280mm	Xinyu Iron & Steel Co. Ltd	Nov 2019
20	R9m, 8-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:150mm×150mm, 160mm×160mm	Jingye Group Ulan Hot Iron & Steel Co. Ltd	Aug 2020
21	R9m, 4-strand small slab continuous casting machine (including engineering, manufacture, erection and commissioning) 180mm×580mm	Tianjin Tiangang United Special Steel Co. Ltd	Jul 2020
22	R10m, 5-strand rectangular billet continuous casting machine (including engineering, manufacture, erection and commissioning) 165 mm×400-500mm	Shanxi Jianlong Industrial Co., Ltd	Jul 2020
23	Revamping project for billet hot charge to rolling mill without reheating for R9m, 6-strand square billet continuous casting machine	Hua Hong Iron And Steel Products Co. Ltd	Nov 2019
24	R9m, 6-strand continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:150mm×150mm, 165mm×165mm, 180mm×180mm	Huahong Iron & Steel Products Co. Ltd	Aug 2019
25	Revamping project for updating of 2#, 3# R8m, 4-strand square billet continuous casting machine Casting section:165mm×165mm	Shandong Laiwu Iron & Steel Co. Ltd	Mar 2019
26	R8m, 6-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:150mm×150mm, 165mm×165mm, 180mm×180mm	Jiangsu Hongtai Iron & Steel Group Co. Ltd	Mar 2019
27	R12m, 12-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:190mm×190mm, ø180mm, ø220mm, ø250mm	Shandong Luli Iron & Steel Co. Ltd	Feb 2019
28	Revamping project for addition of strand for 3# R9m, 5-strand continuous casting machine (to 6 strands after revamping) Casting section:160×160mm, 180×180mm	Nanchang Fangda Special Steel Co. Ltd	Aug 2018

29	Revamping project for R10m, 8-strand square billet continuous casting machine (from bow part of secondary cooling to cross transfer device - pusher type) Casting section:165mm×225mm, 160mm×250mm, 250mm×250mm, 230×280mm, ø160mm, ø180mm, ø200mm, ø210mm, ø230mm	Hebei Yongyang Iron & Steel Group Co. Ltd	Aug 2018
30	R9m, 7-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:150mm×150mm, 165mm×165mm	Qingyuan Qingshan Stainless Steel Co., Ltd	Dec 2018
31	R9m, 10-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:150mm×150mm, 165mm×165mm	Yangzhou Qinyou Special Metal Material Co., Ltd	Nov 2018
32	1#, 2# R8m, 7-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:160mm×160mm	Jiangsu Changzhou Zhongtian Iron & Steel Group Co. Ltd.	Nov 2018
33	R8m, 7-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:165×165mm, 170mm×170mm	Xuzhou East Asia Iron & Steel Co. Ltd	Aug 2018
34	Revamping project for addition of strand for 1# R8m, 6-strand square billet continuous casting machine (to 8 strands after revamping) Casting section:165×165mm, 170×170mm	Anhui Guihang Special Steel Co. Ltd	Aug 2018
35	3# R8m, 8-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:165mm×165mm, 170mm×170mm	Anhui Guihang Special Steel Co. Ltd	Jun 2018
36	Revamping project for addition of strand for 1# R9m, 5-strand square billet continuous casting machine (to 6 strands after revamping) Casting section:160mm×160mm, 180mm×180mm	Nanchang Fangda Special Steel Co. Ltd	Nov 2017
37	3# R9m, 8-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:150mm×150mm, 165mm×165mm	Shandong Chuanyang Iron & Steel Group Co. Ltd	May 2018
38	R9m, 7-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:: 150mm×150mm, 165mm×165mm	MCC East Jiangsu Heavy Industry Co. Ltd	Dec 2017
39	Revamping project for addition of sections for 2# R8m, 6-strand billet continuous casting machine Casting section:165mm×165mm	Anhui Guihang Special Steel Co. Ltd	Jun 2017
40	Revamping project for addition of sections for 1# R8m, 6-strand billet continuous casting machine Casting section:165mm×165mm	Anhui Guihang Special Steel Co. Ltd	Jun 2017
41	2# R10m, 5-strand continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:200mm×200mm, 260mm×300mm (Cooperate with Puruite Co.)	Changzhou Dongfang Special Steel Co., Ltd	Mar 2018
42	2# R10m, 6-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:150mm×150mm, 180mm×180mm, 200mm×200mm Rectangular billets: 165mm×225mm, 165mm×280mm	Changzhou Dongfang Special Steel Co., Ltd	Dec 2017

43	1# R10m, 6-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section: Square billet: 150mm×150mm, 200mm×200mm Rectangular billets: 165mm×225mm Round billets: Φ150mm, Φ160mm, Φ180mm, Φ200mm	Changzhou Dongfang Special Steel Co., Ltd	Dec 2017
44	Revamping project for optimization for R8m, 7-strand square billet continuous casting machine Casting section:150mm×150mm	Xinyu Special Steel Co. Ltd	Dec 2016
45	Revamping project for optimization of 1# R8m, 4-strand square billet continuous casting machine Casting section:150mm×150mm, 165mm×225mm	Vietnam Fumi Meltshop of Taiwan Donghe Steel Co. Ltd	Dec 2016
46	Revamping project for optimization of 2# R8m, 4-strand square billet continuous casting machine Casting section:150mm×150mm, 165mm×225mm	Changzhou Dongfang Special Steel Co., Ltd	Nov 2016
47	Revamping project for optimization of 1# R8m, 4-strand square billet continuous casting machine Casting section:150mm×150mm, 165mm×225mm	Changzhou Dongfang Special Steel Co., Ltd	Sep 2016
48	Revamping project for increase of new strand for 2# R8m, 5-strand square billet continuous casting machine Casting section:150mm×150mm	Pingxiang Anyuan Iron & Steel Co. Ltd	Apr 2016
49	Revamping project for increase of new strand for 1# R8m, 5-strand square billet continuous casting machine	Pingxiang Anyuan Iron & Steel Co. Ltd	Mar 2016
50	Revamping project for billet hot charge to rolling mill without reheating for R8m, 7-strand square billet continuous casting machine	Jiangsu Changzhou Zhongtian IRON & STEEL Group Co. Ltd.	Jan 2016
51	Revamping project for optimization of R6m, 4-strand square billet continuous casting machine Casting section:150mm×150mm, 165mm×225mm	Changzhou Dongfang Special Steel Co., Ltd	Sep 2015
52	Revamping project for addition of sections for R9m, 6-strand billet continuous casting machine Casting section:150mm×150mm, 165mm×225mm	Tianjin Iron Works	Dec 2014
53	Revamping project for production promotion for R16m, 3-strand square and round billet continuous casting machine Casting section:350mm×450mm; 300mm×300mm; Φ300mm; Φ400mm; Φ450mm	Xinxing Ductile Iron Pipe Co., Ltd	Sep 2013
54	R9m, 7-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:150mm×150mm	Anhui Guihang Special Steel Co. Ltd	Sep 2013
55	Revamping project for addition of sections for R10.5m, 6-strand billet continuous casting machine Casting section:ø250mm, ø300mm	Tianjin Tiangang United Special Steel Co. Ltd	Apr 2013
56	Revamping project for secondary cooling for 1# R9.5m, 7-strand square billet continuous casting machine Casting section:150mm×150mm, 180mm×180mm, 230mm×230mm, ø300mm	Anhui Changjiang Iron & Steel Co. Ltd	Nov 2012
57	Revamping project for addition of sections for R10m, 8-strand square billet continuous casting machine Casting section:165mm×300mm,180mm×300mm	Shandong Chuanyang Iron & Steel Group Co. Ltd	Feb-13
58	R9m, 3-strand round billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section: Ø150mm~Ø210mm, 150mm~200mm	Changzhou Dongfang Special Steel Co., Ltd	Nov 2012
59	3# R10m, 7-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:150mm×150mm, 150mm×220mm, 150mm×260mm	Nanjing Iron & Steel Group Co. Ltd	Sep 2013
60	2# R10m, 7-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:150mm×150mm	Nanjing Iron & Steel Group Co. Ltd	Aug 2013

61	R10m, 6-strand rectangular billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:165mm×350-600mm	Shandong Chuanyang Iron & Steel Group Co. Ltd	Aug 2012
62	R9m, 8-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:150mm×150mm, 165mm×165mm, 180mm×180mm	Shandong Chuanyang Iron & Steel Group Co. Ltd	Aug 2012
63	R9.5m, 7-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:150mm×150mm, 165mm×165mm	Anhui Changjiang Iron & Steel Co. Ltd	Nov 2012
64	Revamping project for oscillators and its electric cylinder for R9m, 5-strand square billet continuous casting machine	No. 1 Meltshop of Tonghua Iron & Steel Co. Ltd	Mar 2012
65	Revamping project for addition of sections for R9m, 4-strand square and round billet continuous casting machine Casting section:220mm×220mm	Suzhou Suxin Special Steel Co., Ltd	Jan 2012
66	R9m, 7-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:160mm×160mm, 165mm×225mm	Tianjin Tiangang United Special Steel Co. Ltd	Feb 2012
67	4# R9m, 8-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:150mm×150mm, 160mm×160mm	Tonghua Iron & Steel Co. Ltd	Jul 2012
68	3# R9m, 8-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:150mm×150mm, 160mm×160mm	Tonghua Iron & Steel Co. Ltd	Apr 2012
69	R9m, 8-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:150mm×150mm	Tongling Fuxin Iron & Steel Co. Ltd	Jan 2012
70	Revamping project of R10m, from 4-strand to 5-strand square billet continuous casting machine Casting section:165mm×225mm, 160mm×250mm, 250mm×250mm, 230×280mm, ø160mm, ø180mm, ø200mm, ø210mm, ø230mm	Hebei Jinan Special Steel Co. Ltd.	Sep 2011
71	R12m, 8-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:200×200mm, 220×260mm, Ø250~Ø310mm	Jiangsu Changzhou Zhongtian Iron & Steel Group Co. Ltd.	Dec 2011
72	R9m, 7-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:150mm×150mm	Guangxi Guigang Iron & Steel Group Co. Ltd	Sep 2011
73	6# R8m, 6-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:120mm×120mm,150mm×150mm	Quzhou Yuanli Metal Products Co., Ltd.	Sep 2011
74	1# and 2# R8m, 4-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:160mm×160mm	Fujian San An Iron & Steel Co. Ltd	Jun 2011
75	R9m, 4-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:240mm×240mm	Jiangsu Jinkai Iron & Steel Co. Ltd	May 2011
76	R8m, 4-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:150mm×220mm, 180mm×240mm, 180mm×280mm	Nanjin Iron & Steel Group Co., Ltd.	Dec 2010

77	R10.5m, 6-strand round billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section: Ø210mm, Ø270mm, Ø350mm, Ø370mm	Tianjin Tiangang Co., Ltd.	Dec 2010
78	R9m, 7-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:150mm×150mm, 165mm×165mm, 160mm×340mm	Tianjin Tiangang Co., Ltd.	Nov 2010
79	R10m, 4-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:195mm×195mm, 240mm×240mm, 260mm×340mm	Suzhou Suxin Special Steel Co., Ltd.	Mar 2010
80	0# R9m, 5-strand square alloy steel billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:160mm×160mm, 180mm×180mm	Jiangxi Nanchang Changli Iron & Steel Co. Ltd.	Mar 2010
81	R11m, 4-strand round billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section: Ø300mm	Jiangsu Changzhou Zhongtian IRON & STEEL Group Co. Ltd.	Nov 2009
82	Revamping project for addition of sections for R9m, 5-strand square and round billet continuous casting machine Casting section:120mm×120mm, 150mm×150mm	Tianjin Steel Pipe Co., Ltd. and Tianjin Iron Works Jointly Built	Jun 2009
83	2# R8m, 4-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:120mm×120mm, 150mm×150mm	Quzhou Yuanli Metal Products Co., Ltd.	Jun 2009
84	Revamping project for addition of sections for R9m, 8-strand square billet continuous casting machine Casting section:120mm×120mm, 150mm×150mm	No.3 Meltshop of Tonghua Iron & Steel Group Co. Ltd.	Apr 2009
85	R9m, 6-strand square and round billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:150mm×150mm	KSC Iran	May 2013
86	R9m, 3-strand square and round billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:150mm×150mm, ø210mm	Wuxi Xuefeng Iron & Steel Co., Ltd.	Mar 2009
87	Revamping project for 4# R9m, 3-strand rectangular billet continuous casting machine Casting section:180mm×560mm, 180mm×600mm	Quzhou Yuanli Metal Products Co., Ltd.	Feb 2009
88	Revamping project for updating steel grades for continuous casting machine	Changzhou Longxiang Iron & Steel Co. Ltd.	Nov 2008
89	R9m, 5-strand square and round billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section: 150mm×150mm, ø210mm	Tianjin Steel Pipe Co., Ltd. and Tianjin Iron Works Jointly Built	Nov 2008
90	Revamping project for addition of sections for R10m, 2-strand round billet continuous casting machine Casting section: ø130mm	Anhui Jin 'An Stainless Steel Casting Co., Ltd.	Oct 2008
91	Revamping project for addition of sections for R10m, 4-strand round billet continuous casting machine Casting section: ø230mm	Jiangxi Nanchang Changli Iron & Steel Co. Ltd.	Aug 2008
92	Revamping project for addition of sections for R10m, 4-strand square billet continuous casting machine Casting section:ø230mm	Hebei Jinan Special Steel Co. Ltd.	May 2008
93	R9m, 8-strand square and round billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:150mm×150mm, 180mm×180mm, 200mm×200mm, Ø180mm, ø220mm	Shandong Linyi Jiangxin Iron & Steel Co. Ltd. of Jiangquan Industrial Group	Jun 2008

94	R10m, 2-strand round billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:Ø220mm, ø250mm, ø300mm	Anhui Jin 'An Stainless Steel Casting Co., Ltd.	Jun 2008
95	R8m, 6-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:ø110mm, ø130mm, ø150mm, ø180mm, 150mm×150mm	Angang Heavy Machinery Co. Ltd.	Jun 2008
96	Revamping project for addition of sections for R10m, 4-strand square billet continuous casting machine Casting section: ø180mm, ø200mm, ø210mm	Hebei Jinan Special Steel Co. Ltd.	Mar 2008
97	Revamping project for addition of sections for R10m, 4-strand square billet continuous casting machine Casting section:230mm×280mm	Hebei Jinan Special Steel Co. Ltd.	Jan 2008
98	Revamping project for addition of sections for R8m, 4-strand square billet continuous casting machine Casting section: ø160mm	Jiangsu Changqiang Iron & Steel Co.,Ltd	Dec 2007
99	R8m, 6-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:150mm×150mm, 180mm×180mm	Jiangsu Changzhou Zhongtian Iron & Steel Group Co. Ltd.(General contracted by Mananshan Iron & Steel D&R Institute	Apr 2008
100	Revamping project for 1# and 2# R10m, 5-strand square billet continuous casting machine Casting section:150mm×150mm, 180mm×180mm	Converter Meltshop of Jiangsu Changzhou Zhongtian Iron & Steel Co. Ltd.	Oct 2007
101	Revamping project for addition of sections for R10m, 4-strand square billet continuous casting machine Casting section:ø160mm	Hebei Jinan Special Steel Co. Ltd.	Sep 2007
102	Revamping project for modification of secondary cooling for 5# R8m, 5-strand square billet continuous casting machine Casting section:150mm×150mm	Converter Meltshop of Fujian Sanming Iron & Steel Co. Ltd	Jun 2007
103	3# R8m, 5-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:150mm×150mm foreseen 200mm×200mm	Quzhou Yuanli Metal Products Co., Ltd.	Jul 2007
104	R6m, 3-strand small slab continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:140mm×265mm, 140mm×300mm, 140mm×330mm	No. 2 Meltshop of Tonghua Iron & Steel Group Co. Ltd.	Aug 2007
105	R11m, 3-strand round billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:ø400mm	STG Italy	Sep. 2007
106	Revamping project R9m, 4-strand from square to square and round billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:ø150mm	Jiangxi Changli Iron & Steel Co. Ltd.	Mar-2007
107	Revamping project for 1# R8m, 5-strand and 2# 4-strand square billet continuous casting machine, optimization of secondary cooling for production promotion Casting section:120mm×120mm, 150mm×150mm	Quzhou Yuanli Metal Products Co., Ltd.	Dec-2006
108	Revamping project for production promotion for two R8m, 4-strand square billet continuous casting machine Casting section:150mm×150mm, 180mm×220mm	Jiangsu Changqiang Iron & Steel Co. Ltd.	Dec-06
109	R10m, 4-strand square alloy billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:165mm×225mm, 160mm×250mm, 250 mm×250mm	Hebei Jinan Special Steel Co. Ltd.	Dec-2006
110	Revamping project for addition of sections for R9m, 5-strand square billet continuous casting machine Casting section:ø135mm, ø150mm, ø180mm	No. 1 Meltshop of Tonghua Iron & Steel Group Co. Ltd.	Aug-2006

111	R11m, 5-strand round billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:ø330mm	Wuxi United Iron& Steel Co. Ltd.	Aug-2006
112	Revamping project for production promotion for R9m, 5-strand square and round billet continuous casting machine Casting section:150mm×150mm, 160mm×220mm, 200mm×200mm, ø160mm	No. 1 Meltshop of Tonghua Iron & Steel Group Co. Ltd.	Jan. 2006
113	Revamping project for W/S unit for R8m, 4-strand square and round billet continuous casting machine Casting section:120mm~170x120mm~170mm	No. 3 Caster of Guangxi Liuzhou Iron & Steel Group Co. Ltd.	Jan. 2006
114	Revamping project for R8m, 6-strand from square to both square and round billet continuous casting machine for section and steel grade Casting section:ø130mm~ø200mm, 130mmx130mm ~200mmx200mm	EAF Meltshop of Jiangsu Changzhou Zhongtian Iron & Steel Co. Ltd.	Jan. 2006
115	Revamping project for R8m, 4-strand square billet continuous casting machine for section and steel grade updating Casting section:160mmx220mm	Converter Meltshop of Jiangsu Changzhou Zhongtian Iron & Steel Co. Ltd.	Aug-2005
116	Revamping project for R9m, 4-strand square billet continuous casting machine, addition of MEMS and optimization of secondary cooling Casting section:170mmx170mm	Meltshop and Rolling Mill of Guangdong Shaogang Songshan Co.Ltd	Jun-2005
117	Revamping project R8m, 4-strand from square to round billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:ø150mm	Wuxi Tristar Iron & Steel Co. Ltd.	Aug-2005
118	R8m, 3-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting sections: 130 mm X130mm 150 mm x150mm, 180 mm x180mm	Wuxi United Iron& Steel Co. Ltd.	Dec. 2005
119	R9m, 5-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section: 150mmx150mm, 200mmx200mm	No. 2 of Converter Meltshop of Hangzhou Iron & Steel Group Co. Ltd.	Apr, 2005
120	Relocation revamping project for R6m, 4-strand square billet continuous casting machine Casting section: 120 mm ~170 mm x120 mm ~170mm	No. 2 Meltshop of Guangxi Liuzhou Iron & Steel Group Co. Ltd.	Jan. 2005
121	Revamping project for R9m, 4-strand square billet continuous casting machine Casting section: 150mmx150mm	No. 2 Meltshop of Xiangtan Iron & Steel Group Co. Ltd.	Dec. 2004
122	R9m, 5-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:160mm x160mm, 150mmx240mm, 150mmx320mm	The Converter Meltshop of Hangzhou Iron & Steel Group Co. Ltd.	Sep. 2004
123	Revamping project for addition of MEMS to mould Casting section: 150 mm x150mm	Shandong Shiheng Special Steel Co. Ltd.	Oct. 2004
124	R9m, 6-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section: 180 mm x180mm, 200mmx200mm	Jiangsu Tieben Iron& Steel Group Co. Ltd.	Not commissioning
125	R9m, 6-strand square billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:150 mm x150mm, 200mmx200mm	Wuxi Xuefeng Iron& Steel Co. Ltd.	Aug 2004
126	R6m, 2-strand square stainless billet continuous casting machine (including engineering, manufacture, erection and commissioning) Casting section:150mm x150mm, 150mmx230mm, 150mmx320mm	Zhejiang Metallurgical Research Institute	Jun 2003
